Ever wondered about what to do with business clothing and accessories you hardly use anymore? Participate in our special sustainability event supporting [Dress for Success](#) and/or [Dress Your Best](#) to recycle or repurpose those articles of clothing and accessories you no longer use and assist our communities while promoting sustainability at the same time. These organizations promote the economic independence of disadvantaged women and men who are trying to get back into the working world and need a leg up.

At this year's ERAPPA conference, we are encouraging you to bring any business accessories you might care to donate to either one or both of these great organizations.

Business appropriate accessories are often overlooked but quite essential when putting together an all-around business look and can really boost somebody's confidence especially when going for an important interview. With this in mind, we are looking for the following donations this year:

1. Dress shoes for men and women; large and small sizes
2. Purses and briefcases
3. Jewellery
4. Ties
5. Scarves
6. Belts
7. Cufflinks

Monetary donations are also encouraged and will be accepted – envelopes will be available at the conference registration desk should you choose to assist that way.

Need another great reason to participate? Take full advantage of Niagara Falls Ontario's amazing and fun shopping experience (not to mention the incredible exchange rate) and feel even better about it by making room in your closet for new things by donating business accessories that can be recycled, re-used and repurposed by others instead of simply being thrown away. You will certainly make a difference – the people who benefit always appreciate the help and find new confidence in getting back to work while reducing the amount of waste going to landfill promotes a more sustainable and greener environment.

Tax receipts available on cash donations of \$25 CAD or more (Canadians only).
